

Straight Through Processing

Add Speed to Processing Your Mastercard Payments

Take the hassle out of manually processing your Mastercard payments with Straight Through Processing from AvidXchange. This automated payment delivery option sends funds directly to your merchant account, reducing the time and effort you spend on receiving, processing and reconciling payments.

The Benefits of Straight Through Processing

Faster Transactions

Process payments directly through your merchant account within 48 hours

Improved Accuracy

Reduce the risk of human errors by eliminating the need to manually process payments

Better Data and Reliability

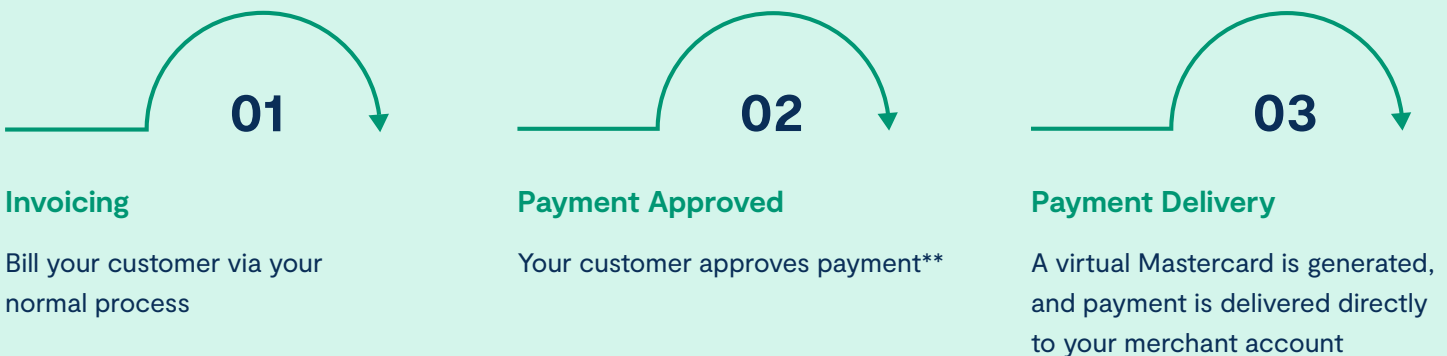

Maintain up to date, detailed transaction data and reduce inquiries to your customers about payment information

Increase Productivity

Eliminate manual processes like keying in payment information and matching virtual card amounts to invoices

How it Works

When you sign up for Mastercard delivered via Straight Through Processing, all payments from our mutual customers will be sent directly to your merchant account.

***Payment approval is at the discretion of your customer.*
